

we're looking for an
**assistant
youth pastor.**

Are you passionate about seeing young people come to know Jesus and grow in relationship with him? We're looking for an Assistant Youth Pastor to join our team. This is a full-time, permanent position based in the centre of Cambridge

The role

Are you passionate about seeing young people come to know Jesus and grow in relationship with him? This is an exciting opportunity to be part of a growing youth ministry, helping to direct the vision of HT Youth and deliver our programme of discipleship for young people. Alongside that, we hope this role will have a particular focus on helping to grow our outreach and evangelism. The role is full-time, including Sundays, and is a permanent position. There will be regular work required on evenings and weekends, for which time off in-lieu will be awarded.

About HT

HT is a vibrant, evangelical, charismatic, Anglican church with a large and growing church family of all ages and stages. We are situated right at the centre of the city and perfectly placed to reach students and adults alike.

Vision: our vision is to see Cambridge reached and the world impacted with the good news and transforming power of the risen Lord Jesus.

Values: we believe that the description of the early church in Acts 2:42–47 is still God's heart for his church today and aspire to be a family that is committed to God's word, delighting in God's praise, showing God's love, empowered by God's Spirit, and sharing the good news.

About HT Youth

Core youth values: HT Youth has four additional key values that help direct and shape what we do – being a place of **fun** where youth love to be, being a **family** where everyone can belong, discovering **faith** in Jesus, and exploring what the **fruit** of following Jesus could look like in their own lives. The greatest aim above all others has been to help youth find a relationship with Jesus which could last for the rest of their lives. One of our greatest joys has been seeing young people flourish in their faith well beyond their teenage years at university, apprenticeships, or wherever they end up.

The Youth: HT has a brilliant bunch of young people, many of whom are eager to get stuck into learning, growing, and following Jesus! There are currently about 100 youth connected to HT, of whom about 60 make up a committed core. The youth are a real mix: from a range of schools, villages, and churches around Cambridge.

What we currently do: The main event of the week is on Sunday evenings during the 5.30pm service, when the youth are usually split into younger and older youth for a combination of games, worship, a talk, small group time, and prayer. Alongside Sunday evenings there are lots of socials, weekends away, an annual trip to DTI festival, spaces to go deeper in faith, 1–1 meetups, and more. There are so many opportunities with youth throughout the year and plenty of space to add, innovate, and change things around.

Team: HT Youth is a team-based ministry led by a Youth Pastor who is supported by a ministry assistant, a fixed term role for those exploring youth work. They are joined by 15 committed volunteers from the wider church, who take on various responsibilities, including games, talks, leading events, leading small groups, and mentoring young people. We're excited to expand our work with young people through the addition of another permanent member of the team in the new Assistant Youth Pastor role.

Responsibilities

Facilitating the vision and direction of HT Youth: HT Youth is full of exciting potential – there is so much that God might want to do among young people in HT and the surrounding city of Cambridge. We are looking for an Assistant Youth Pastor to work alongside the Youth Pastor and Youth Ministry Assistant to cast and facilitate the vision for young people and their families at HT.

Overseeing Younger Youth: we are particularly looking for someone who can oversee our younger youth (years 7–9) – this would involve overseeing the practical outworking of our vision in this half of our youth group, including taking a lead on pastoring and developing this team. The Youth Pastor will fulfil similar responsibilities for Older Youth.

Developing outreach work: a major part of this role would be to help expand our outreach and evangelism to young people. The Assistant Youth Pastor could take a lead on this, working with the Youth Pastor to develop innovative ways to connect with young people who wouldn't typically attend a church-based youth ministry alongside equipping and releasing our young people to be missional to their peers.

Supporting the HT Youth Team: God calls all sorts of people to be involved in youth ministry at HT, and so a key role of the Assistant Youth Pastor will be to support the Youth Pastor administratively and pastorally in recruiting, delegating and supporting the youth team so that they can do excellent youth work!

Behind the scenes admin: the vision of HT Youth will be put into action in a creative variety of ways. From Sunday teaching series to social events, the youth weekend away, summer festivals, formal mentoring arrangements, extra discipleship courses, and evangelistic events, there's lots that needs to happen behind the scenes to make the HT Youth vision a reality. The Assistant Youth Pastor will be involved in practically and administratively facilitating events.

Safeguarding & risk-assessing: it is vital that HT remains a safe, transparent and welcoming place for all young people. A key role of the Assistant Youth Pastor will be to become a master of safeguarding and risk-assessing for all HT Youth events, learning all the key guidelines, executing them well in the day-to-day, responding wisely to concerning disclosures and encouraging the Youth Team to do the same.

Upfront teaching & leading: at HT, we believe in the power of Scripture to change lives. Whilst some events and talks will be delegated to various members of the Youth Team, the Assistant Youth Pastor will regularly find themselves upfront, whether speaking from the Bible, leading a ministry time, or being the point-person at key events.

Meeting up with young people: one of the great joys of the Assistant Youth Pastor's role is meeting up with some of the young people to encourage them and lead them deeper in following Jesus, whether responding to particular pastoral concerns or making regular time to instil deeper faith and leadership in young people's lives through 1-1 mentoring, coaching, and Bible study. We are particularly looking for someone who can take responsibility for pastoring male young people.

General church events: the Assistant Youth Pastor would be a member of the wider staff team at HT, which involves taking an interest in the wider ministry of the church and helping to make Sundays and other general church events happen.

Personal specification

Spiritual requirements: you'll be a committed Christian and have a vibrant relationship with Jesus, with a robust spiritual maturity and pattern of personal spiritual disciplines. You'll have the character of a godly leader and a life that reflects that. You'll be completely on board with HT's vision and values and be excited about fully participating in the life of the church.

Education & qualifications: you will have basic proficiency on Microsoft Office Suite and be a competent IT user. It would be preferable for you to have completed A-levels to a reasonable standard.

Gifts & abilities

- Good leadership skills, able to draw together, develop, and lead teams, as well as a self-starter who is forward-thinking and full of initiative.
- Good grasp of Scripture and the ability to apply the Bible to everyday life.
- Comfortable leading upfront – including ability to lead ministry in the Holy Spirit and equip others to use their spiritual gifts or excitement to grow in this area.
- Innovative spirit with the ability to think creatively about how to connect with young people, as well as fun-loving, diplomatic, discreet, and trustworthy.
- Good communicator 1-1, upfront, and over digital media.
- Good people skills in a range of formal and informal settings and with a range of ages.
- Robust organisational and administrative skills, and the ability to coordinate others in order to make vision and ideas a reality, as well as the ability to manage and prioritise tasks, to give and receive feedback, and to keep calm under pressure.
- In possession of good judgement when assisting people in pastoral difficulty.
- Passionate about discipling with young people and seeing them come to Christ.
- Hardworking and prepared to work flexibly and on evenings as church events often require.

Experience

Essential: experience of playing an active role in a church community and working/volunteering with young people, whether in a church, school, charity, or another context. In addition, an understanding of the vital importance of safeguarding.

Preferable: experience in a position of leadership, leading a small group of young people, public speaking, and the organisation of/administration of people or events.

Support you'll receive

One of HT's strengths is an actively supporting and encouraging staff team – you'll be well looked after here. As well as meeting frequently with the whole staff team for Bible study, worship, and prayer, there are spaces to engage socially over lunch and other activities. You'll also meet regularly one-to-one with the Youth Pastor who will be your line manager. Outside of this, we can connect you with a mentor – someone in the wider church family who can walk with and support you in your personal spiritual growth. In addition, there are opportunities to attend resourcing events such as Onelife or New Wine leadership conferences, to help fuel both ministry ideas and your spiritual life.

We are also passionate that everyone who joins the staff team will thrive in our environment and ultimately contribute to the overall ministry of the church.

Since this role requires the occupant to be confidently teaching and discipling young people, there is a genuine occupational requirement under the Equality Act 2010 to ensure the protection of our Christian ethos and our charitable objective of advancing the Christian faith that the holder of this post is a committed Christian.
